Therefore, as of January 1, 2006 and until December 31, 2010, or until amended, the following Permanent Rules of Council shall govern the procedures and proceedings of the San Diego City Council.

§22.0101.5 Permanent Rules of the Council

Rule 1: TIME AND PLACE OF MEETINGS (Former Rule 1)

1.1 Time: The regular weekly meetings of the City Council required by Charter section 13 shall be scheduled over a two-day period as follows:

Monday 2:00 p.m. — 5:30 p.m.

Tuesday 9:00 a.m. — 5:30 p.m.

1.2. Time of Adjournment: The time of adjournment each day may be extended by the Chair or by two-thirds (2/3) vote of the members of the Council beyond the time specified above should additional matters remain on the Council agenda.

1.3 Place: Regular Council meetings shall be held in the Council Chambers of the City Administration Building, Community Concourse, in the City of San Diego, California. In addition thereto, the Council shall also hold regularly scheduled night Council meetings in various community facilities throughout The City of San Diego rather than in the City Administration Building. Such night Council meetings will be scheduled at least two to four times during each twelve-month period, with the specific date, time and location of each meeting to be established by resolution of the Council. In the event a regular meeting shall fall on a legal holiday, the Meeting may be held on the next business day.

1.4. Change of Time and Place: The Council may by resolution, when necessary, change the time and place of the regular meeting. The resolution shall set forth the circumstances necessitating such change. Such resolution shall be published once in the City official newspaper at least twenty-four (24) hours prior to the meeting to be held pursuant to such change. Twenty-four hours prior to the meeting to be held pursuant to such change, the City Clerk shall give each Councilmember written notice, personally or by registered mail, of any change from the regular meeting days established by this section.

1.5. Special Meetings and Notice: A special meeting may be called at any time by the President or by a majority of the members of the Council by delivering personally or by mail written notice to each member of the Council and to each local newspaper of general circulation, radio or television station requesting notice in writing. Notice must be delivered personally or by mail at least twenty-four (24) hours before the time of such meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted. No other business shall be considered at such meetings by the Council. Such written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the City Clerk a written waiver of notice. Such waiver may be given by telegram. Such written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes.

1.6. Emergency Meetings and Notice: In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, the City Council may hold a special meeting **at the request of the President or the Mayor** without complying with the 24-hour notice requirement of this Rule. For purposes of this paragraph, “emergency situation” means any of the following:

- (1) Work stoppage or other activity which severely impairs public health, safety, or both, as determined by a majority of the members of the Council;
- (2) Crippling disaster which severely impairs public health, safety, or both, as determined by a majority of the members of the Council.

However, each local newspaper of general circulation and radio or television station which has requested notice of special meetings pursuant to this Rule shall be notified by the **President** or designee, one hour prior to the special meeting by telephone. The **President** or designee, shall exhaust all telephone numbers provided in the most recent request of such newspaper or station for notification of special meetings. In the event that telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the City Council, or designee thereof, shall notify such newspapers, radio stations, or television stations of the fact of the holding of the special meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible. The City Council shall not meet in closed session during a meeting called pursuant to this paragraph. All special meeting requirements as prescribed in this Rule shall be applicable to a meeting called pursuant to this paragraph, with the exception of the 24-hour notice requirement.

The minutes of a meeting called pursuant to this paragraph, a list of persons who the **President** or designee, notified or attempted to notify, a copy of the roll call vote, and any actions taken at such meeting shall be posted for a minimum of ten (10) days in a public place as soon after the meeting as possible.
